Zip

WHY JOIN THE CHAMBER?

FIRST YEAR FREE

Your first year of Chamber membership is on us so we can show you the value of being a member.

NETWORKING

Get acquainted with new contacts and expand your prospect base by attending Chamber sponsored events throughout the year.

BUY and SHOP LOCAL (CHAMBER CHECKS)

The Chamber works to keep money circulation within the Halstead business community by offering Chamber Checks. Chamber Checks are like cash and can only be redeemed at Chamber Businesses which helps you and the local economy. The Checks can then easily be included in your next bank deposit.

EXPOSURE and INFORMATION

Chamber members will appear on the NEW Chamber website (coming in 2023) and can be promoted through the Chamber's Facebook page. Members also are kept up to date from the Chamber on events or opportunities through meetings, mailings, email blasts, and social media.

REFERRALS

As the Chamber receives calls, emails, and other inquiries for goods and services, we send them directly to our members.

COMMUNITY BETTERMENT

Members make a difference in Halstead by working together to improve the quality of life and businesses through activities like Old Settlers, Halloween Howl, & Christmas Jingle events.
