## Christmas Tree Pick-Up

The City will be offering curb side pick-up of Christmas trees again this year. On January 5, 2009, (Monday) maintenance crews will be traveling around town picking up discarded Christmas trees. Please remove all decorations from the tree and place the tree at curb side.

**NO PLASTIC BAGS,  
 PLEASE!**

This is a one-time service for Christmas trees only. No limbs or other trees will be picked up. All Christmas trees will be chipped and piled near the site of the composting facility near the wastewater treatment plant. Residents may pick up chips sometime in January. The exact date will be published later when we learn the date the chipper is available. The mulch will be available to Halstead citizens free of charge.
