

HALSTEAD RECREATION YOUTH TRACK

There will be a youth track organizational meeting on Thursday evening March 9th at 6:30 at the Halstead High School Auditorium. Track and Field is a great way to prepare your student for Jr. High and High School Track, and to find an event that fits your child's skill set. This is a parent meeting in order to get information out to you and to get information from you about your child. Your child does not need to attend.

HALSTEAD REC TRACK TEAM: Kids currently in 1st-6th grades

Meets begin in April and are held on Saturday mornings In our area

Multiple events for your child available
